Renville SWCD Media Comment Policy, May 7, 2021

Thank you for being a fan of the Renville County Soil & Water Conservation District's (SWCD) social media channels. The SWCD participates in social media, to engage individuals and organizations in conservation, and promote sustainable use of water and soil resources. The SWCD provides content on social media to encourage participation with our science-based messages and discussion of beneficial conservation activities.

While we encourage fans to share thoughts and opinions on SWCD's social media pages, we expect that this will be done in a respectful manner.

The SWCD does not agree with, or endorse comments that individuals post on our various pages. Our goal is to share ideas and information with as many individuals as possible and our policy is to accept the majority of comments made to our profiles.

Therefore, a comment will be deleted if it contains:

- Hate speech,
- Profanity, obscenity or vulgarity,
- Nudity in profile pictures,
- Defamation to a person or people,
- Name calling and/or personal attacks,
- Comments whose main purpose are to sell a product,
- Comments that infringe on copyrights,
- Spam comments, such as the same comment posted repeatedly on a profile,
- Other comments that the SWCD Administration deems inappropriate.

All links posted as comments on SWCD posts will be reviewed and may be deleted.

Repeated violations of the SWCD comment policy may cause the author to be blocked from the SWCD's social media profiles.

We understand that social media is a 24/7 medium; however, our moderation capabilities are not. We may not see every inappropriate comment right away, and we are trusting in the maturity of our community to ignore personal attacks and negative speech or respond politely.

Please contact [renvillewcd.com](http://www.renvillewcd.com) if you have any questions.
